You agree to pay Metro Loop the total charges for access to and/or use of the Services, including, without limitation: fees applicable to installation; Rental Equipment rental, deposits, or non-return charges; processing fees, costs incurred by Metro Loop and interest charges, if your account is past due; service calls; toll or long distance uses; calling cards; directory assistance uses; all orders for pay-per-view programming (PPV), video on demand programming (VOD) or subscription sports programming services; plus any applicable federal, provincial or regulatory taxes or surcharges, incurred in connection with the access to and/or use of the Services (as all such fees may be changed from time to time). Metro Loop will bill you each month in advance for the Services (usage based Services will be billed in arrears) and your invoice will be made available to you in hardcopy format by regular mail and/or in an electronic format by way of email. New invoices may be sent to you at the email address you have provided us. If you do not receive notifications of new invoices by email, you are still responsible for paying all amounts by the due date specified. 2. You agree to pay all amounts by the due date indicated on your invoice by using any of the payment methods accepted by Metro Loop. Payments made after the 25th day of the month may be reflected on your next invoice. If your account remains unpaid for 60 days, Metro Loop may refer your account to a collections agency and you agree to pay a fee of \$75.00 for services relating to the administration, processing, or service costs for your account (for example, collections efforts due to non-payment or suspension, disconnection or reactivation of your Services). You agree to pay Metro Loop \$50.00 if your credit card is denied, pre-authorized debit is returned, or if your cheque is returned due to non-sufficient funds. Payment of the full amount due will be required before the Services may be restored, provided Metro Loop is not under any obligation to restore the Services to any person who continues to fail to make timely payment of the amounts due or abuses Metro Loop's Acceptable Usage Policy applicable to the Services.
3. You are responsible to ensure that the billing information and the contact email for receiving invoices you provide Metro Loop is accurate. You agree to promptly notify Metro Loop of any changes in your billing information.

5. You must bring billing invoice questions and disputes to Metro Loop's attention within 60 days of the invoice date. Your failure to contact Metro Loop regarding any invoice will constitute your acceptance of the invoice. Metro Loop maintains discretion to disconnect services during a dispute if satisfactory payment arrangements have not been made by you.
